ODISHA METAL EXPO

2026 | Forging a Sustainable Metal Future

19 - 21 March 2026 | Baramunda Ground, Bhubaneshwar, Odisha

India's metal and metallurgy sector is a driving force of the nation's industrial growth, supporting rapid urbanization, infrastructure expansion, and manufacturing excellence. As one of the world's leading producers of steel, aluminium, and copper, India has established a strong presence in both domestic and international markets.

The sector forms the foundation for diverse industries such as automotive, infrastructure, construction, power, and consumer goods, Railway & Real Estate — positioning it as the backbone of India's economic progress.

ODISHA

India's Metal Powerhouse

Odisha stands at the forefront of India's metal revolution — a state that combines rich mineral wealth, modern infrastructure, proactive governance, and global investment appeal. With its strategic location, industrial corridors, and progressive policy environment, Odisha is emerging as the preferred destination for sustainable metal manufacturing and innovation.

Odisha's Strategic Advantages

Rich Resource Base

- Leading producer of **iron ore, bauxite, coal, and chromite** — providing a steady supply of raw materials for steel, aluminium, and ferroalloy industries.
- Major contributor to India's **iron ore and bauxite output**, ensuring long-term sustainability and cost efficiency.

Industrial Infrastructure & Land

- Well-developed **industrial zones and metal parks** in **Kalinganagar, Jharsuguda, Angul, and Paradip**.
- Availability of large contiguous **industrial land parcels** with world-class infrastructure and multimodal connectivity (port, rail, and road).

Progressive Policies & Government Support

- **Odisha Industrial Policy Resolution (IPR) 2022** and **Metal Downstream & Ancillary Policy** promoting investment, innovation, and green manufacturing.
- Streamlined governance through **GO SWIFT** — India's first end-to-end online single-window clearance system.
- Incentives for **renewable energy use, recycling, technology upgradation, and skill development**.

Strategic Location & Connectivity

- Proximity to **deep-water ports (Paradip, Dhamra, Gopalpur)** enables efficient exports and global supply chain integration.
- Strong logistics backbone linking mineral sources to industrial hubs and ports.

Knowledge, Skills & Research Strength

- Academic and R&D excellence through **IIT Bhubaneswar, NIT Rourkela, CSIR-IMMT**, and other institutions.
- Focus on **metallurgical research, material science, and skill-based training** to nurture future-ready talent.

Objectives

The Odisha Metal Expo 2026 aims to:

Showcase **India's and Odisha's leadership** in the global metal and metallurgy ecosystem.

Promote **investment opportunities** in upstream and downstream metal industries.

Facilitate **knowledge sharing, innovation exchange, and global partnerships.**

Highlight **green technologies, advanced materials, and circular economy practices.**

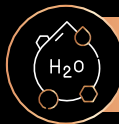

Support the Government of India's and Odisha's vision for a **sustainable, self-reliant, and technologically advanced metal sector.**

Focus Themes

Green Metallurgy & Carbon Neutrality

Hydrogen in Steelmaking & Clean Energy Integration

Metal Recycling & Circular Economy

Advanced Materials & Lightweight Alloys

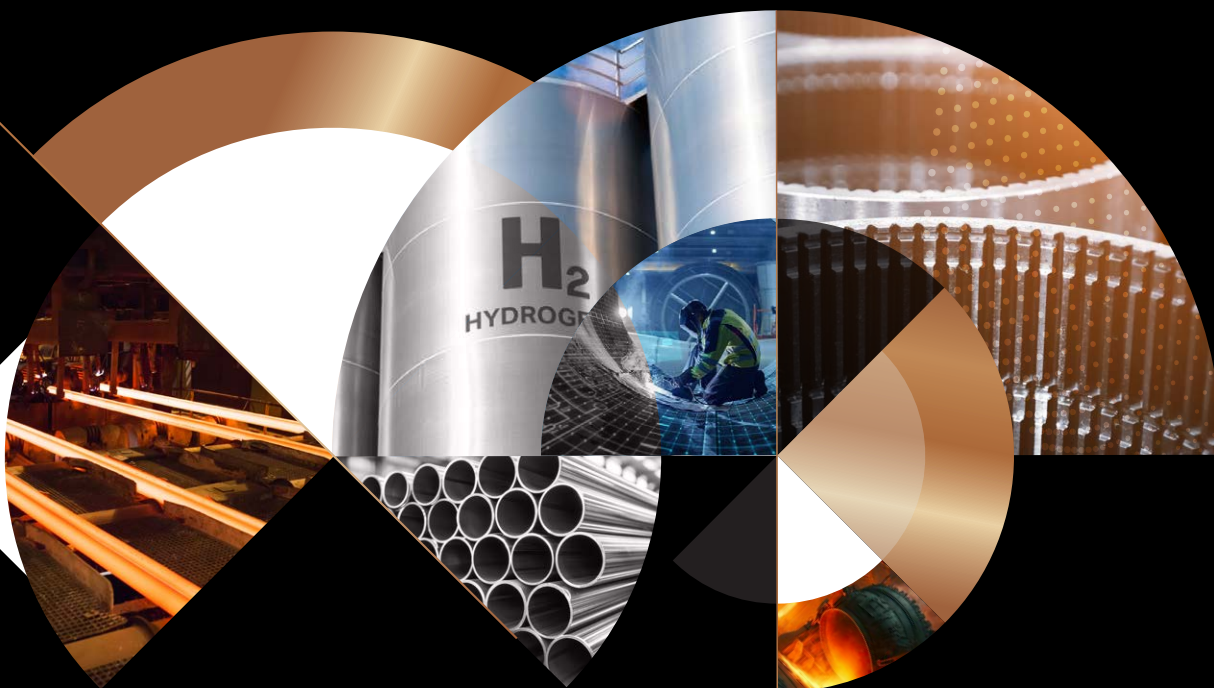

Digital Transformation & Industry 4.0

Investment Opportunities in Odisha's Metal Corridor

Skill Development, Research & Collaboration

Participation Rate

	Indoor Built up - Min 9 Sq.mts	Indoor Raw Space - Min 36 Sq.mts	Indoor Built up MSME / SSI - Min 9 Sq.mts	Outdoor Raw Space - Min 50 Sq.mts	250 and above
INR Per Sq. mtr	9,000	8,000	7,200	2,500	2,000
USD	145	130	NA	50	40

GST extra - 18% on stall rent. Any other taxes as applicable / levied by Government of India.
SSI & MSME certificate is must.

Exhibitors Profile

- Aluminum Production
- Base Metals & Copper Production
- Ferro Alloy Manufacturers
- Forging, Foundry & Furnaces Manufacturers
- Iron & Steel Manufacturers
- Machine Tools & Metal Engineering
- Stainless Steel Manufacturer
- Rolling Mills Equipment, Wires & Cables Manufacturers
- Mineral Processing
- Pumps & Valves
- Bearings, Gear
- Secondary Steel Manufacturer
- Casting Machines & Technologies
- Metal Shaping & Finishing
- Automation & Smart Manufacturing Technology
- Raw Material Suppliers
- Green Steel & Energy Transition Technologies
- Construction, EPC & Infrastructure Companies
- Ports, Logistics & Warehousing Solutions for Metal sector
- Sustainability, Safety, and Recycling Firms

Visitors Profile

- CEO's/ Decision Makers
- Contractors & Consultants
- Trade Delegations
- Government, PSU Departments and Policymakers
- Buyers & Sourcing personnel from Defence , Oil & Gas, Power, Shipbuilding, Construction, Infrastructure, Real Estate sectors
- Service Industry Providers
- Technological Experts
- Press & Media
- Leading steel producers
- Infrastructure developers
- Allied industries

Conclusion

The Odisha Metal Expo 2026 will be a landmark event that brings together industry leaders, policymakers, innovators, researchers, and investors from across India and the world.

With its abundant resources, strategic location, forward-looking policies, and sustainability focus, Odisha is poised to lead India's march toward a cleaner, smarter, and more resilient metal future.

Confederation of Indian Industry

The Confederation of Indian Industry (CII) works to create and sustain an environment conducive to the development of India, partnering Industry, Government and civil society through advisory and consultative processes.

For 130 years, CII has been engaged in shaping India's development journey and works proactively on transforming Indian Industry's engagement in national development. With its extensive network across the country and the world, CII serves as a reference point for Indian industry and the international business community.

In the journey of India's economic resurgence, CII facilitates the multifaceted contributions of the Indian Industry, charting a path towards a prosperous and sustainable future. With this backdrop, CII has identified "Accelerating Competitiveness: Globalisation, Inclusivity, Sustainability, Trust" as its theme for 2025-26, prioritising five key pillars. During the year, CII will align its initiatives to drive strategic action aimed at enhancing India's competitiveness by promoting global engagement, inclusive growth, sustainable practices, and a foundation of trust.
